The procedures and policies for utilizing various facilities vary in different extents. The classrooms are of two categories, viz. departmental and common. The

former types are exclusively meant for holding respective classes of the department, while the latter category is shared by many departments as per the central class routine. These rooms are also used exclusively during the examination time, as decided by the individual examination committees appointed for the different examinations. However, for outside examinations (that are normally held during Sundays), the college obtains a centre fee, that varies to great extents (either lump sum or per candidate basis). The policies for using the college library are outlined in detail in the college prospectus as well as the college website. The computers in the different academic departments are used by the academic staff and the students as well for different purposes, the former using those for administrative and academic purpose while the latter for academic usage like preparation of field Sports, accessing web resources, e-learning resources, practical works, etc. For such usages, there is no formal policy devised. The college canteen is monitored by a Canteen Monitoring Committee, which looks into the qualitative aspects. The canteen functions on a lease basis with private partners. Laboratories in various departments function under the strict control of the respective departmental heads and the laboratory bearers (both sanctioned and non sanctioned) are responsible for maintaining the laboratory facilities, under instruction from the departmental heads.
